### SUMMARY

I'm Walassi, I'm 25 years old. I have dedicated my time to learning programming as it is an area of incredible growth, great opportunities, responsibilities and rewards.

I'm treading my path in search of the first opportunity in the FrontEnd Web area, so that I can develop myself and contribute more and more to this incredible world of challenges and problem solving.

### SKILLS

- HTML, CSS e JS
- Git e GitHub
- React
- NPM
- C#
- Java
- Excel
- English upper intermediate
- Good communication
- Commitment
